### Teamsters' clash with Republic Services expands in Georgia and beyond

As collection workers strike in Massachusetts, actions have also been reported in California, Georgia and Indiana.

## Utah Valley building new transfer station to handle population boom

The South Utah Valley Solid Waste District's current transfer station was engineered to handle 250 tons per day, but has been seeing peak loads of around 1,000 tons.

## Montana's TENORM regulations could mean influx of E&P waste

Proposed state regulations would consider allowing a higher radioactivity threshold at disposal sites. Concerns have been raised about more material coming from North Dakota's Bakken oilfields as a result.
